SOUTHERN DISTRICT OF TEXAS McALLEN, TEXAS

ATTACHMENT TO CRIMINAL COMPLAINT:

M-18-2418 -M

RE:

Ricardo Canales

CONTINUATION:

Shortly after, the McAllen Border Patrol Station received a call from a reliable source and stated that a grey extended cab pick-up truck had loaded up with illegal aliens in Los Ebanos, Texas. An Agent nearby responded and immediately saw a vehicle matching the description driving northbound, away from Los Ebanos, Texas. The Agent saw a male subject sitting on top of the center console between the driver and front passenger seats. The subject was sitting much higher than the other passengers of the vehicle. The vehicle's registration returned to an address from Mission, Texas. It is a common trend for smugglers to use vehicles registered from other locations. The vehicle was also weaving through traffic attempting to evade the Agent. The Agent further suspected the vehicle was transporting IAs because the Agent was able to recognize the pick-up truck as the one he suspected of being involved in the smuggling earlier that same day.

The Agent activated his emergency equipment in attempt to conduct an immigration inspection on the passengers. The driver of the grey pick-up truck then sped off and led Border Patrol Agents to a lengthy vehicle pursuit. The Agent observed the driver endangering the public by running red traffic lights, speeding through stop signs, and travel at high speeds. The driver eventually lost control of the vehicle and crashed into a fence post. The Agent then observed eight (8) passengers bail out of the pick-up truck and abscond into a wooded area. The Agent was at a close range and was able to see the driver, later identified as Ricardo Canales, and the front passenger, later identified as Jose Luis Gonzalez, get out of the vehicle and run away. The Agent began chasing Canales on foot until later affecting the arrest. After a brief search, Agents were able to apprehend Gonzalez and two IAs.

All subjects were transported to the Border Patrol Station.

Ricardo Canales was advised of his Miranda Rights. He stated he understood his Rights; however, he was not willing to provide a sworn statement without legal counsel.
